What is Retro?

Retrospective Rating (Retro) is an optional financial incentive program offered by the Department of Labor and Industries to help qualifying employers reduce their industrial insurance costs.

IMPORTANT: Retro is the only way to earn premium refunds from L&I.

Your Program Partner

ERNwest specializes in managing Retro programs and has helped deliver consistent refunds to over 4,000 employers in Washington by:

- » helping provide claims management and support when there is a workplace injury.
- » providing money-saving strategies on your workers' compensation premium.

Don't take our word for it.

"We became a member of the GRIP program for the support, to be able to keep people on salary, and for the money back. I wish I had joined when I had my first employee. We were just leaving money on the table."
