RETRO specifics

MANAGEMENT CHOICES:

In order to meet the needs of its members, there are two options employers can choose from.

RETROSPECTIVE RATING PROGRAM

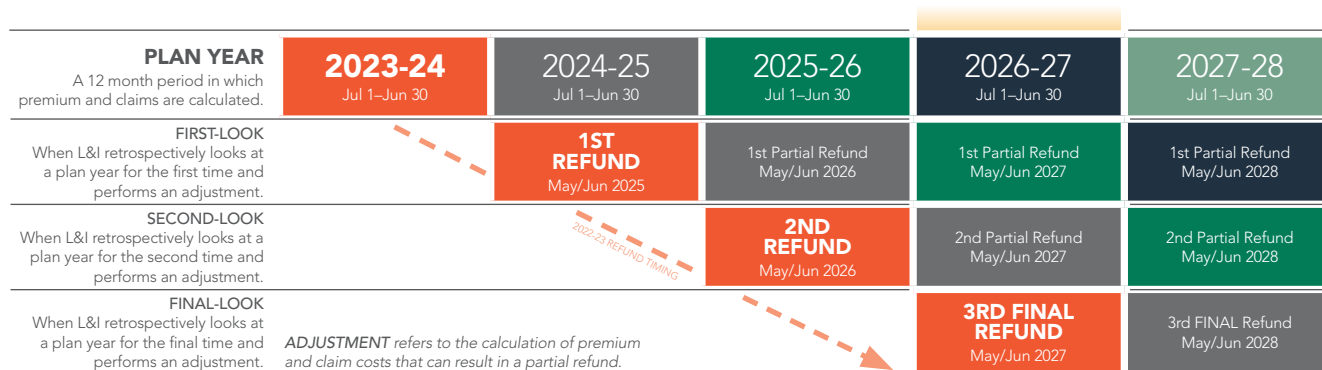

Also known as "Retro", this program is the only way you are able to earn any of your premium back from LNI. Your premium is pooled along with other employers of similar risk class or industry, which reduces risk and maximizes refunds.

NON-RETRO MANAGEMENT ONLY OR WAIVER PROGRAM

Not quite ready for Retro? Whether you have had a couple of bad years or a couple of out of control claims, there is a place for you. Employers will have access to all of ERNwest's services to help you get back on track.

WHAT IS RETRO?

RETROSPECTIVE RATING (RETRO) is an optional financial incentive program offered by the Department of Labor and Industries to help employers reduce their industrial insurance costs. Employers or groups of like employers may receive premium refunds or they may be assessed additional premium based on their performance.

EXAMPLE DISTRIBUTION

WHAT YOU SHOULD KNOW ABOUT REFUNDS:

Refunds are performance based. When companies "perform" well that means there are very few or no losses, and will earn a higher refund. Recent numbers show 64% of WFIA Retro members earned an above average refund.
